2. Background

- 2.1 The Breedon on the Hill Parish Council made an application to North West Leicestershire District Council (NWLDC) for a neighbourhood area to be designated in September 2020. The application was approved by NWLDC and Breedon on the Hill Parish was designated as a Neighbourhood Plan Area on 14 October 2020.
- 2.2 Following the submission of the Breedon on the Hill Neighbourhood Plan to the Council, the Plan underwent a six-week public consultation from Tuesday 16 July to Tuesday 27 August 2024.
- 2.3 With the agreement of Breedon the Hill Parish Council, Wendy Burden BA (Hons) DipTP MRTPI was appointed as the independent examiner of the plan. The purpose of the examination was to determine if the Breedon on the Hill Neighbourhood Plan meets the 'basic conditions' required to proceed to a referendum.

3. Decision and Reasons

- 3.1 The examiner published her report on 4 December 2024, where she recommended that, subject to certain modifications, the Breedon on the Hill Neighbourhood Plan should proceed to a referendum. A schedule of the examiner's proposed modifications is set out at **Appendix A**.
- 3.2 The Council has considered the examiner's recommendations in **Appendix A** and are of the view that the proposed modifications are appropriate.

3.3 With the incorporation of the modifications, officers conclude that the Neighbourhood Plan would meet the basic conditions as defined in the Localism Act 2011, Schedule 10 and Schedule 4B, 8 (2) of the Town and Country Planning Act 1990.

3.4 To meet the requirements of the Localism Act 2011 a referendum which asks:

'Do you want North West Leicestershire District Council to use the Neighbourhood Plan for Breedon on the Hill to help it decide planning applications in the neighbourhood area?'

will be held in the Breedon on the Hill Neighbourhood Plan area.

3.5 The date on which the referendum will take place is agreed as **Thursday 13 March 2024**.

Schedule of Proposed Modifications (PM) Recommended in the Examiner's Report

Proposed Modification No. (PM)	Policy/Paragraph Reference	Proposed Modification	Reason for Proposed Modification	Revised Policy Text	NWLDC Consideration
PM1	Policy BotH3 Map 5	Delete Provisional Area of Separation. Delete final clause of the Policy.	In the absence of any certainty as to the designation of a new settlement and the limits of that settlement in the emerging Local Plan, it would be premature for the BotHNP to include the designation of a Provisional Area of Separation to the north of Tonge. This matter would more appropriately be pursued through the emerging policies of the new Local Plan alongside the consideration of the new settlement proposals. With this modification the policy would meet the Basic Conditions.	Delete the Provisional Area of Separation from Map 5. The following final clause will be deleted from Policy BotH3: The above requirements will also apply to the Provisional Area of Separation to the north of Tonge, as defined on Map 5, should proposals for a new settlement to the north of the Neighbourhood Area be progressed through either a planning application or the Regulation 19 Draft version of the North West Leicestershire Local Plan.	Agreed.
PM2	Policy BotH5	Delete clause 2 and insert: "New development will be expected to provide a net gain in biodiversity consistent with any national policy prevailing at the time that a planning application is determined."	To ensure that Policy BotH5 relates to the most up to date policy position and compliance with the Basic Conditions.	Policy BotH5: Ecology and Biodiversity: Development should conserve, restore and enhance the network of local ecological features and habitats which include (as shown on Map 8) Local Wildlife Sites (including	Agreed

Delete the following clause from Policy BotH20: - All affordable housing will be subject to conditions, or a planning obligation will be sought, to ensure that when homes are allocated, priority is given to people with a local connection to Breedon on the Hill Neighbourhood Area (i.e. including living, working or with close family ties in the Area).
