

Notice of Review of Polling District and Polling Stations

Electoral Registration and Administration Act 2013
Review of Polling Districts and Polling Places (Parliamentary Elections) Regulations 2006
Electoral Administration Act 2006
Representation of the People Act 1983 (Schedule A1)

The above legislation requires every local authority to carry out a review of its UK Parliamentary polling districts and polling places at least once every five years.

North West Leicestershire's review will start on Monday 2nd September 2024. We want to hear your views. We want to make sure we have suitable polling district boundaries which take into account the increases in population in certain areas following new development. We also need to make sure we are offering the best location, suitable premises with good access, and good transport links.

The consultation period starts on **Monday, 2nd September 2024** and will finish on **Friday 27 September 2024**. Details of the current arrangements and any proposals for change can be viewed at the Council Offices and on the Council's website [Review of polling districts and polling stations 2024 - North West Leicestershire District Council \(nwleics.gov.uk\)](https://www.nwleics.gov.uk/review-of-polling-districts-and-polling-stations-2024)

Comments are invited from electors and other interested parties, including people or organisations with a particular interest or expertise in relation to access to premises or facilities for those with different forms of disability. Comments can be made on:

- any aspect of polling districts and/or polling places currently used or proposed to be used;
- any representations made by the (Acting) Returning Officer; and/or
- polling station premises

If you would like to make any comments or suggest alternative arrangements, please contact Electoral Services on electreg@nwleicestershire.gov.uk or 01530 454512.

The Council will decide on the final polling arrangements at its meeting on **5th November 2024**. Any changes to polling district boundaries or polling places will take effect from 1st December 2024 when the next electoral register is published.
